

- Industry-leading 3-Year / 350,000 Mile Warranty
- The 105P55 starter is designed, engineered and manufactured to exceed truck manufacturer's expectations
- Weighing only 29 pounds, our starters have an industry-leading power-to-weight ratio for faster starts and reduced vehicle weight
- High-efficiency design to withstand the extreme start-stop requirements resulting from anti-idling laws
- Lower current draw than the competition which results in less battery discharge every time you start your truck
- Lowest warranty failure rate in the industry for lower life-cycle cost and higher reliability
